

( CADROIT/CARBOHYDRATE CONTACT REPORT

DATE: 17 December 1954, 1900 - 2100

PLACE: CARBOHYDRATE's apartment

PRESENT: CARBOHYDRATE, [ ]

1. CARBOHYDRATE delivered:

a. A report of a visit to Belitz, the blind staffer who is active in Westaufklarungs work, of a former friend from the East. The friend, Werner Beyer, stated he had been approached by the SFS, given the job of finding out the following information about Belitz:

- (1) What work does he do in Berlin? Is he connected with CADROIT? What are his economic circumstances?
- (2) Is the secretary who used to work for him still with him? What is her name?
- (3) Would he be willing to return to the East Zone?

It was agreed between Belitz and Beyer that the latter would report to the SFS upon his return that the secretary has been in West Germany for over a year. Her name had not been mentioned by Belitz. The only persons working in Belitz' office were his wife and daughter. When Beyer inquired about a flight that Belitz had made to West Germany, the latter had gotten quite suspicious of Beyer's motives, had spoken of his confidential relationship with clients, etc. Belitz had then gotten rid of Beyer then by claiming pressure of business. Hopefully, this answer to the SFS would induce it to drop the operation and relieve the pressure upon Beyer. When Belitz reported the matter to CARBOHYDRATE, the latter requested to meet Beyer if possible, should the latter appear again.

b. A copy of the opinion (Gutachten) which CADROIT had sent to the BMAV re Sigurd Tharow's application for political recognition. This contained the name of the sister who lives with Hansen "Annemarie". (C had stated earlier that the name of this sister was unknown.) C. agreed to get the BMAV file upon the Tharow sisters if possible.

2. CARBOHYDRATE reported orally that:

- a. There was no trace on Joachim Venske. (For REDCAP)
- b. Bodo Weden is a West MA who formerly worked for a foreign power (which one was not known.) C delivered the CADROIT file upon him to [ ] (For CART).
- c. Gebel had died of natural causes according to the autopsy report.
- d. He had as yet received no further report in the Diller matter from Abt. V.
- e. No trace upon Winkler (for Bob E.)

3. [ ] requested traces upon Friedrich Duestertoeft, reported arrested. Specifically, was he a CADROIT MA?

Next meeting: 21 December 1954, 1900, C's Apt.
